WE WERE THERE BOOKS

“We Were There Books are easy to read and provide exciting, entertaining stories, based upon true historic events. Each of these books tells the exciting story of two young persons' adventures during some of history's most dramatic events—written by top authors, illustrated by top artists, checked for historical accuracy by experts. Though written simply enough for young readers, they make interesting reading for boys and girls well into their teens.”

ADVANCED SEARCH

Our Advanced Search allows you to easily find just the right book. Search by topic, time period, location, lead characters, genre, reading level, and more!

LISTS & PLANS

In addition to the curated book lists that we provide, you can easily create your own custom lists to organize your family's reading. You can also create homeschool plans that includes books and anything else you want to keep track of.

PARTNER GUIDES

We're collaborating with some of our favorite people and organizations, who share our love of good books, reading, and education—to give you easy, searchable access to their book recommendations inside Biblioguides so you can use all of our tools like custom lists and plans and our advanced search to organize your family's reading all in one place!

Your next book journey begins here.
