LANDMARK BOOKS

Each of the U.S. history Landmark books "brings to life a great event or personality in our nation's past. Each is designed to be rich, rewarding reading, capable of stirring the heart as well as the mind. Each is intended to arouse in the reader not only an interest in the course of history, but also an understanding of how the democracy that is our heritage was forged. The World Landmark books, too, have outstanding authors, a wide and well chosen variety of subjects, and simple but full-of-action story narrative."
